ENERGEX WORK

All work has been planned to minimise impact on our school, however we ask that all parents remain vigilant when driving near the school as there will be more large vehicles in the area.

Proposed schedule:

Now to 19th June – carry out underground service locations and install new earths in the adjacent paddocks beside and behind the school

19th June – pole deliveries to the paddocks adjacent the school grounds (Warning -semi-trailer and crane operating on the road outside the school this day)

26th June – drill holes and stand new poles in paddock adjacent school

3rd July - drill holes and stand new poles in paddock adjacent school

8th July – power outage

THANK YOU

Thank you to the parents who were able to provide transport to the high school yesterday for the performance of “Hairspray”. This was a great opportunity for the students to see the performance at low cost however, without parent transport would not be possible.

PARENT CONTACT

Recently we have been notified of instances where some parents have approached other parents/guardians in relation to issues such as parking, behaviour etc. If there is concern in relation to any school issued please approach a staff member instead of directly approaching other school community members. A reminder also that approaching students is not allowed. As a small school it is imperative that parents and staff work together for the well-being of all involved.

PUBERTY TALK

On Friday 19th June a Regional Education Coordinator from Family Planning will be at school to talk to the year 5/6 students. There will be two sessions and topics covered will be puberty and reproduction, with protective behaviours covered. In past years this has been undertaken by the school nurse but this source is no longer available to us. Please return the attached form no later than Friday 12th June.

PAVERS – FOR TENDER

A reminder that tenders for the pavers advertised in last newsletter are due by 5pm today. Tenders must be handed in to the office.

NAIDOC WEEK

On Thursday 25th June we will be holding activities for NAIDOC week. During the middle session students will be put into small groups with a staff member and will work through several rotations such as painting and games. Further information will be sent home as soon as possible.

During the last session we will be showcasing the dances taught this term. Family and friends are invited to attend.

SCHOOL PHOTOS

Copies of the whole school, Instrumental and Choir photos are available in the office for viewing. The Choir and Instrumental photos are \$16.00 and the whole school photo is \$20.00. Please order and pay at the office.

Final date for accepting orders at school was today. If you still wish to order any photos please contact Image Photography directly – (5541 1690).

INSTRUMENTAL MUSIC

Invoices for instrument loan hire and music levy have been sent home. If you have not yet returned your child's loan agreement, please do so as soon as possible. If you are unsure please contact the office.
