A FREE sausage sizzle will be provided at second break for the students. They should still bring food for first break and a little extra for second break. If you do not wish your child to participate in the sausage sizzle please advise the school in advance.

SPORTS NEWS

Huntah recently competed at the Regionals for Cross Country coming 36th out of 52 students. Well done, Huntah, you are a fantastic sports ambassador for our school.

SCHOOL SURVEY

Annual School Surveys will be sent home in week one of term three. These will need to be completed and returned to school by the end of week two.

EXPRESSION OF INTEREST – CAMP

Parents of students in Years 4-6 are asked to return their expression of interest form for camp as soon as possible so that costings and supervision arrangements can be made.

REPORT CARDS

Report cards will be sent home early next week. Please be aware that it is a legal requirement for registered names to be used on report cards.

Although parent/teacher interviews have already been conducted, if you have any concerns regarding reports, please arrange a mutually convenient time to discuss them with your child's teacher.

SCHOOL CURRICULUM

During semester two staff will be reviewing the implementation of the Australian Curriculum, beginning with the Mathematics strand. This will require staff attending professional development, in order to undertake the change in 2016.

HEAD LICE

We have been advised of cases of head lice again this week. All parents are asked once again check their child's hair for signs of lice or eggs and follow up with appropriate treatment if necessary. The holidays are an ideal time for continuing this process of checking and treatment. Please remember also to wash children's hats and rename them.

A reminder is given to all parents that Energex work is being carried out in the school area until mid July. Please be especially careful when driving in the school vicinity during this time.

SCHOOL SUPPLIES

Parents are requested to check with their children regarding everyday items for school, and replenish them for the start of term 3. Items such as pencils, erasers, glue etc have run out for a lot of students.

NO HAT; NO PLAY

A reminder that our school has a NO HAT; NO PLAY policy. This is standard policy across Education Queensland schools.

Students who do not have their school hat will not be able to play at break times. A container of books and colouring materials has been put together for these students who must sit undercover.

SCHOOL WATCH

We need everyone to look out for after-hours crime in our school. No one can access the school grounds after hours without written permission from the Principal.

If you see anything suspicious, please don't attempt to intervene.

Call the School Watch number - 131 788.

The School Watch Program is a partnership between Education Queensland, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools. Let's work together to help create a safer school community.
