FOR THE FUTURE

VERESDALE SCRUB STATE SCHOOL

SUN SMART POLICY

CARING AND CHALLENGING
FOR THE FUTURE

This Policy is adapted from www.sunsmart.com.au documentation

At Veresdale Scrub State School we pride ourselves on being a Sun-Safe school and as such, we strictly follow the rule of "NO HAT - NO PLAY".

Children must have their own hat to wear. **The sharing of hats is strictly forbidden.** Children without hats are required to stay in the designated undercover area / library and not participate in any play activities.

The school also encourages children to use an effective sunscreen when playing outside at school. It is recommended that sunscreen is applied prior to their arrival at school.

Sunscreen is offered in all classrooms for children to apply themselves. Teachers actively encourage students to apply sunscreen, especially during the summer months.

Teachers promote responsibility of all students in following our school rule of "NO HAT - NO PLAY".

Be Safe

This school is a
Sun Safe school.
